Sony Electronics Inc.'s ("Sony") Imaging PRO Support Program Terms and Conditions

(together with the Program Benefits below, the "Agreement"):

I am applying for membership in the Sony Imaging PRO Support Program ("PSP" or the "Program") and hereby agree to the following terms and conditions (the "Terms and Conditions") upon Sony's approval of my membership application:

1. Membership Eligibility. Membership in the Program is available only for those individuals: (a) who are legal residents of Canada, (b) who are at least 18 years of age at the time of enrollment, and (c) are approved by Sony. Membership benefits, Loaned Equipment and repair services are available within Canada only.

2. Applications for Membership. All applications for membership to the Program are subject to Sony's approval, in its sole discretion, with or without reason. Applicants are not eligible for membership if they have been previously expelled or terminated from the Program, any predecessor to the current Program, or any other similar Sony programs. I hereby represent and warrant that all of the information submitted with my application is true and accurate and that I meet all eligibility requirements required by Sony under this Agreement. In the event that any information submitted with my application is found to be untrue or inaccurate, Sony may, in its sole discretion, terminate my membership to the Program without a refund of any portion of my remaining membership fee.

If accepted into the Program by Sony, Sony will provide the benefits as detailed in Program Benefits set forth below.

3. Term of Membership. Upon approval of my membership by Sony, the initial term of my enrollment in the Program is one (1) year from the date I accept the Terms and Conditions and pay the membership fee. After the initial term, the membership term is one (1) year from the expiration date of the prior term if I renewed prior to the end of my prior term. If I did not renew prior to the end of my term, my membership term will be one (1) year from the date I renew my membership.

4. Account Information. I will keep my Program account information up to date, including my current contact information (mailing address, email address, phone numbers, etc.) so that I will receive any and all notices, if any, that Sony or its Authorized Service providers may need to send me under the Program. If I do not keep my contact information up to date, Sony or its Authorized Service providers are not responsible for notices or other mailings or shipments that are not received.

5. Modifications to the Program. Sony may change, revise, edit or otherwise modify the Program at any time by posting updated Terms and Conditions on the PSP website, or by otherwise notifying me by email, mail, or other delivery means. I acknowledge that I must have Internet access and the required browser software to enable me to access and use the PSP website throughout my membership term. In the event that Sony terminates the Program prior to the expiration of my membership period, there will be no refund of any remaining portion of my membership fee.

6. Termination of Membership. I understand and agree that my failure to adhere to any of these Terms and Conditions or any other features of the Program may result in termination of my membership by Sony. In such event, I will not be entitled to any refund of any remaining portion of my membership fee.

7. Loaned Equipment. All product loans made under the Program are subject to the following:

Repair Facilitation Loan or Evaluation Loan equipment and related accessories (separately "RFL Equipment" or "EL Equipment", and collectively, the "Loaned Equipment") will be available only to members with currently valid memberships that are currently in good standing. I acknowledge that all loan requests will be reviewed by Sony, and that requests are subject to Sony's approval and the available in-stock inventory. I acknowledge and agree that the Loaned Equipment is loaned to me solely for my use in accordance with these Terms and Conditions and other instructions provided to me by Sony. I acknowledge that all Loaned Equipment that is loaned to me is owned by Sony and may not be loaned, sold, encumbered or otherwise transferred by me, or to a third party. I acknowledge that EL Equipment is limited to Sony Alpha interchangeable lens cameras and lenses and should be requested with at least two weeks in advance. Member is eligible to receive EL Equipment once per product for the lifetime of that product regardless of renewal of membership. Product requested under Evaluation loan should not be already owned by the member.

Sony will pay for transporting the Loaned Equipment to the address listed in my PSP contact information, or as otherwise directed by me to Sony in my loan request (provided it is within Canada). The Repair Facilitation Loan ("RFL") will last for that certain period of time that it takes for Sony or its Authorized Servicer to repair my equipment and ship it back to me, subject to recall rights below. The Evaluation Loan ("EL") will last for two weeks, but may last longer in the event that it takes Sony or its Authorized Servicer a longer period of time to identify any repair issues. UPS or a similar carrier will deliver the Loaned Equipment (provided it is within Canada), and a prepaid shipping label will be included to return the Loaned Equipment. The individual member will be responsible to drop-off the product(s) with UPS or similar carrier for delivery to Sony.

I acknowledge that Sony reserves the right to recall any item of Loaned Equipment, for any reason, at any time upon notice.

In the event I fail to return the Loaned Equipment when due, Sony may invoice me for Sony's then current full retail value for such equipment and I will pay such invoice within thirty (30) days of receipt. Failure to return any Loaned Equipment, and/or pay such invoice may result in the suspension or termination of my membership privileges in the Program, and/or the seeking of legal or equitable relief, in Sony's sole discretion.

I will return the Loaned Equipment as directed by the terms above, in good condition, reasonable wear and tear excluded. I agree to protect the Loaned Equipment against shock, impact, water damage, sand, dirt, other harmful substances which may cause damage to the Loaned Equipment, and other situations and climates that may cause damage to the Loaned Equipment. I will bear all risk of loss or damage to the Loaned Equipment while in my possession and until its receipt by Sony, including any damage caused by improper packaging of the Loaned Equipment for its return to Sony. I agree to reimburse Sony for the cost of any repairs to, or replacement of, the Loaned Equipment necessitated by damage to the Loaned Equipment while on loan, including any damage caused by improper packaging of the Loaned Equipment for its return to Sony.

Customer agrees to provide **either** a major credit card acceptable to Sony **or** to carry "all risk" insurance on all Loaned Equipment that has a list value greater than \$3,000 Canadian Dollars as security for the obligations Customer assumes under this Loan Agreement. Such insurance shall list Sony Canada Ltd. as a co-insured. In the event that the Equipment or any part of it is lost or damaged (reasonable wear and tear excepted) or has not been returned to Sony, Customer hereby grants to Sony its irrevocable authorization to process one or more payments to compensate Sony for loss or damage to the Equipment (a reasonable amount for repair or replacement, at the sole option of Sony, not to exceed the Value of the Equipment as set out above) against such credit card or Sony account and Customer agrees to pay Sony (or the card issuer, as the case may be) the full amount so charged.

I agree to use the Loaned Equipment in accordance with published Sony instructions, whether on the Program website or as otherwise instructed by Sony. Under no circumstances will I perform any maintenance or repair on the Loaned Equipment. I will contact Sony for further instructions in the event that maintenance or repair on the Loaned Equipment is necessary.

I acknowledge and agree that the Loaned Equipment is loaned to me "AS IS". THERE ARE NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, RELATING TO THE USE OR PERFORMANCE OF THE EQUIPMENT, AND ANY AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY

AND FITNESS FOR A PARTICULAR PURPOSE. SONY SHALL NOT BE LIABLE FOR ANY DAMAGES INCLUDING WITHOUT LIMITATION, PERSONAL INJURY, PROPERTY DAMAGE, LOST PROFIT OR OTHER DIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING OUT OF THIS AGREEMENT OR THE USE OR INABILITY TO USE THE EQUIPMENT.

8. Status of Parties. I acknowledge that Sony makes no warranties or representations of any kind with respect to the prospects for any business relationship between us as a result of this Agreement. Nothing in this Agreement shall be deemed to create a partnership, joint venture or relationship of employment between us.

9. General Terms. This Agreement shall be construed in accordance with and governed by the laws of the Province of Ontario and the laws of Canada having general application therein.

This Agreement shall not be amended or otherwise modified except in a writing authorized by Sony (email or website postings being acceptable). In the event any portion of this Agreement is held to be invalid or otherwise unenforceable by a court of competent jurisdiction, such term or condition (or part thereof) shall be enforced to the extent possible consistent with the stated intention of the parties, or, if incapable of such enforcement, will be deemed to be deleted from this Agreement, while the remaining provisions of this Agreement will remain in full force and effect. Neither my membership nor this Agreement and the associated membership benefits under the Program may be assigned or otherwise transferred by me, and any attempted assignment or transfer shall be void. Sony's waiver of any breach or failure to enforce any of the terms and conditions of this Agreement at any time shall not in any way affect, limit or waive Sony's right thereafter to enforce and compel strict compliance with every term and condition hereof. In the event Sony is unable to carry out its material obligations under this Agreement by reason of strikes, riots, insurrection, fires, flood, storm, explosions, acts of God, war, governmental action, labor conditions, earthquakes, or any other causes that are beyond the reasonable control of Sony without its fault or negligence (a "Force Majeure" event), Sony will give you notice to as soon as commercially practicable advising you of the Force Majeure event and the reasons for nonperformance pursuant to such event, and make all commercially reasonable efforts to resume performance as soon as possible. Notwithstanding the foregoing, if Sony is unable to resume performance within fifteen (15) calendar days after the Force Majeure event, you may immediately terminate this Agreement by providing written notice to Sony. This Agreement, together with and any other document Sony designates from time to time as part of the Program, constitutes the entire agreement between the parties concerning the subject matter of such documents and supersedes all prior and contemporaneous agreements or representations, written or oral, of the parties pertaining to such subject matter.
